August Events at the Ceres Library

Children and teens can take part in a number of free programs at the Ceres Library this August, beginning with a Straw Powered Rocket Craft on Thursday, Aug. 11 at 3:30 p.m. After coloring and designing their rocket ships, crafters can launch them into the air.

Wee Move and Play will take place on Wednesday, Aug. 17 and 31 at 11:30 a.m. This program features unstructured playtime for toddlers and preschoolers, during which they can enjoy movement and sensory play.

The library will host a LEGO Day on Thursday, Aug. 18 at 3:30 p.m. Children will have the opportunity to build LEGO creations that will then be displayed in the library. Participants under the age of 4 must have direct parental supervision.

A Button Making Craft will be offered on Thursday, Aug. 25 at 3:30 p.m. Children and teens can make personalized pins using the library's button maker and a selection of provided pictures. Crafters are also welcome to bring their own pictures from home to turn into unique buttons.

The Ceres Library is located at 2250 Magnolia St. in Ceres. For more information about Ceres Library programs, please contact the Ceres Library branch supervisor, Anne-Marie Montgomery, at (209) 537-8938.
