February Events at the Empire Library

The Empire Library will offer a free craft program for children and an instructional program for adults this February.

Children will have the opportunity to create apple treat cups on Feb. 5 at 3:30 p.m. Crafters will use recycled bottles to make decorative candy dishes.

The library will host the "Adult Tech: Zinio" program on Feb. 12 at 3 p.m. Participants will learn how to use Zinio, an online source for eMagazines that may be streamed online or downloaded to a device. The library's subscription to Zinio allows library customers to access 51 popular magazine titles for free, with no checkout limits or return dates.
