### July Events at the Hughson Library

This July at the Hughson Library you can find crafts for kids, programs for preschoolers, and Star Wars activities for Teens! Don't miss out on the wide array of programming happening at the library this month.

Design LEGO masterpieces at the library on July 8 from 1 to 3 p.m. Once completed, the LEGO designs will be put on display in the library. Children under the age of four are welcome to participate in this program, however they must have direct parental supervision.

The library will host several programs for preschoolers this month, starting with the Animals All Around program on July 10 at 12 p.m. Children ages 1 – 4 can participate in projects and activities that will teach them about animals. On July 17, preschoolers can enjoy the Shapes and Numbers program at 12 p.m. This program will help pre-readers learn mathematical concepts in a fun and creative way.

Experience the Motion of the Ocean at the library on July 22. At 1 p.m. children ages 6 – 12 can participate in a variety of ocean related crafts and activities.

Get gross at the library on July 23 with Grossology 101. Families are invited to the library at 1 p.m. to explore the science of gross with crafts and activities.

Toddlers and preschoolers can learn about weather on July 24 at noon. Children will have the opportunity to explore many weather related activities.

Teens won't want to miss a Star Wars Afternoon at the library on July 29. Beginning at 1 p.m., participants can take part in an afternoon of Star Wars related crafts and activities.

Families can discover the science of machines on July 30 at 1 p.m. The library will host activities and crafts that delve into the intriguing world of machines.

Have a "block party" at the library on July 31. Starting at noon, toddlers and preschoolers can learn and play with building blocks.

The Hughson Library is located at 2412 A Third Street. For more information, please contact the Hughson Library at (209) 883-2293.
