## **Blossom craft and STEAM\* activity for tweens offered at Ceres Library**

*\*Science, Technology, Engineering, Art and Math learning featured*

Blossoms are blooming at the Ceres Library. At a craft program, Thursday, Feb. 21 at 3:30 p.m., children can create spring blossom masterpieces, using plastic bottles and acrylic paint. Participants are encouraged to dress for a mess.

Tweens and teens will learn about Mason bees, the gentle creatures that pollinate flowers in parks and gardens at the STEAM program, Monday, Feb. 25 at 4 p.m. Designed for ages 10 and older, participants will have the opportunity to craft beehives from recycled materials.

“We rely on bees for food and a vibrant ecology; we hope this program highlights the important role bees play in our agricultural community.” said Olga Castañeda, Ceres Library supervisor.

The Ceres Library is located at 2250 Magnolia St. For more information, please contact the Ceres Library at 209-537-8938. Information about regularly occurring library programs can be found at [www.stanislauslibrary.org](http://www.stanislauslibrary.org), under the “Events and Classes” tab.

#### **About the Stanislaus County Library**

The Stanislaus County Library engages all members of the community and offers access to information, knowledge, and the tools for innovation and personal development. With 13 locations throughout the county, the Library offers free access to a diverse collection of materials, computers and Wi-Fi, Story Times, programming for all ages, and more. To learn more about the Library’s wide array of programs and services, visit [www.stanislauslibrary.org](http://www.stanislauslibrary.org).
