September events at the Modesto Library

The Modesto Library will offer free, informative programs this September, beginning with Scrapbooking Fun on September 13 and 27. From 12 to 4:30 p.m. local scrapbooker Anna Soto will help participants express themselves through the art of scrapbooking. Participants are encouraged to bring their own photographs and materials to personalize their scrapbooks, however a limited number of materials will be provided at the program. In addition to the creative outlet scrapbooking provides, participants will also have the opportunity to win free prizes.

On September 15 at 6 p.m. local financial consultant Michael Howell will discuss cost reducing strategies for parents of college bound students. Howell will offer strategies not commonly known, including tips to reduce a family's Expected Family Income. Registration for this event is required; please contact the Modesto Library Reference Desk at 558-7814. This program is sponsored by the Friends of the Modesto Library.

The Modesto Library is located at 1500 I Street in Modesto, with free parking in the lot behind the library and on surrounding streets. For more information, please contact the Modesto Library at (209) 558-7814.
