August Events at the Newman Library

The Newman Library will offer free crafts and activities this month, including a magnet craft for teens taking place throughout the month of August. Teens can drop in to the library throughout the month to make magnets for their lockers or refrigerators. Directions and materials for this craft will be provided in the teen area of the library. Participants are welcome to bring their own small pictures for use in the craft.

On Tuesday, Aug. 4 at 3:30 p.m. children can make and decorate their own superhero capes using provided craft materials. Participants may model their capes after their favorite superheroes, or invent their own designs.

Children are invited to enjoy LEGO play at the library on Thursday, Aug. 13 at 3:30 p.m. LEGO play helps children hone fine motor skills while learning to think creatively. LEGO days are sponsored by the Friends of the Newman Library.

The library will host a card making craft for children on Saturday, Aug. 15 at 1:30 p.m. Participants will make unique card covers by using shaving cream and paint to make their designs.

These programs are sponsored by the Friends of the Newman Library. The Newman Library is located at 1305 Kern St. in Newman. For more information, please call (209) 862-2010.
