### January Events at the Newman Library

Community members are invited to tap into their creativity this January with free crafts and activities at the Newman Library.

The library will offer two penguin themed crafts this month, beginning with the Penguin Paper Plate Craft on Tuesday, Jan. 5 at 3:30 p.m. Children will use paper plates to form the bodies of their penguins, and then complete their crafts by adding eyes, beaks, and feet. A Penguin Cardboard Tube Craft will be held on Saturday, Jan. 16 at 1:30 p.m. Children will make small penguins out of cardboard tubes and accessorize their crafts with bow ties.

Community members are invited to an All Ages Coloring Day on Tuesday, Jan. 12 at 6 p.m. The library will provide coloring pages, crayons and markers. Coloring has been shown to reduce stress and promote creativity.

Children are invited to enjoy LEGO play at the library on Thursday, Jan. 14 at 3:30 p.m. Children under the age of 4 are welcome to participate, however they must have direct parental supervision.

All ages can make edible snowmen on Tuesday, Jan. 19 at 6 p.m. This edible craft will consist of banana slices for the snowman's body, chocolate chip buttons and pretzel arms. All materials will be provided.

These programs are sponsored by the Friends of the Newman Library. The Newman Library is located at 1305 Kern St. in Newman. For more information, please call (209) 862-2010.
