September events at the Oakdale Library

This September, the Oakdale Library will offer a selection of engaging free programs for children and teens, starting with a magnet craft for children on September 11 at 3:30 p.m. This fun craft turns flat glass marbles into works of art that can be used to decorate a number of magnetic surfaces.

Teens can play video games at the library for free on September 15 at 3:30 p.m. Participants will have the opportunity to compete in interactive games on the Wii console. This fun gaming event promotes teamwork and strategy.

Children will be delighted with a visit to the library on September 17 for the "Mayor's Book Club," a special Story Time event at the Oakdale Library. At 10:30 a.m. Mayor Pat Paul will read a story to children and their families.

The Oakdale Library is located at 151 S. First Avenue in Oakdale. For more information, please call (209) 847-4204.
