

## Friends of the Keyes Library

### Minutes for 4/20/2011

Meeting was called to order at 6:15 PM by chapter president Jeff Reed. Present were: Heather Bailey (librarian), Karen Poppen, Rita Winters, Bruce Walters, Marina Fuentes, and Jeannette Walters.

Treasurer's report on Used Book sale: books \$255.96, pizza cards \$30.00, membership \$5.00. Current balance in Oak Valley Community Bank and cash is \$778.64. It was reported that over the first year of operation, this organization has raised a total of \$1,210.26.

Discussion of used book sale on April 16, 2010 revealed that many things went well, even though we only had 6 people available to assist. We discussed changing the sale hours to 9:00AM - 1:00 PM next year and asking the student council for help before and after the sale, as well as recruiting additional member volunteers.

The next subject of discussion was the Library needs; improvement of FOL display area, request by teachers that a walkway be created to the back door, and books and periodicals to be ordered. It was moved by Bruce Walters, seconded by Karen Poppen, and passed that \$100.00 be given to Heather for immediate ordering of periodicals and that an additional \$350.00 be set aside for future purchases. This additional amount will be made available to Heather Bailey through treasurer Jeannette Walters upon request. It was moved by Jeff and seconded by Rita that at least half of this amount should be for books and the remaining for craft supplies. In addition, Heather is to research the cost cleaning or replacement of the kids rug used for class discussions and story time.

Under membership, it was reported by Jeannette Walters that the Keyes Elementary Student Council will be joining the Friends with an organization membership and offering assistance to the FOL.

The final item on the agenda was the Stanislaus Reads 2011. Our Reads activity date will be June 22nd. The main activity selected was "Strawberry DNA Discovery" and will be directed by Jeff Reed. Other activities will need to be presented as well.

It was agreed that FOKL meetings will break for summer and reconvene on September 7 @ 6:00 PM.

Meeting was adjourned at 6:45 PM.
