February 11, 2008

CALL TO ORDER:

The meeting was called to order by Pres., Marilynne Allen, at 1:30 PM in the library building.

MEMBERS PRESENT: Marilynne Allen, Margaret Castro, Trudy de Groot, Sue Henderson, Elly Lanfranki, Judy Mullins, Faith Osteen, Carol Schuler, Kay Swift and Librarian, Kelly Thompson

MINUTES: The minutes were read and approved.

LIBRARIAN'S REPORT: Kelly said she had received some of the items she bought after last month's meeting and brought some of them to show us such as magnetic bookends, bookmarks, clock for the reference room, etc.

She said that for the mask craft they had a good turnout of 31 people. This month they will be doing a valentine craft and in March a birthday party for Dr. Suess. For that she requested \$65 to buy food, etc. She also said they will be having a Teen Tech Week which will include a survey and scavenger hunt. For this program she requested \$30 which is a total request of \$95. Sue made a motion that we give Kelly the \$95 she requested; it was seconded by Faith and passed.

Marilynne mentioned that we need a new lock for the dumpster and asked Kelly if she would check the price of a new lock. Kelly reported back that she looked in her supply catalog; but found no locks. Marilynne then suggested that Kelly call Waste Management to find out what kind of lock they can open. Kelly will do that and report back later.

Kelly said she received a letter from Dianna Bartlett, the Turlock Library branch manager, thanking us for going to the meeting in Newman to try to help them get a FOL group started. Marilynne, Carol and Sandy went to the Newman meeting and some of the Newman group was supposed to come to our meeting today; but they didn't show
