### **Chess enthusiasts have a local place to play at the Denair Library**

*Chess Club at Denair Library provides opportunity for local players to meet*

The Denair Library will provide dedicated space to chess players of all experience levels on Tuesdays, July 2, 16 and 30 from 3 to 5 p.m. All ages can enjoy friendly, unranked games of chess in the relaxing, air conditioned atmosphere of their local library.

Interested participants are asked to bring their own boards, chess pieces, and clocks to the event. The library will also provide chess puzzles for participants to solve.

“We had a chess enthusiast on staff and decided to see if there were other chess players in our community,” said Paden Hardy, Denair Library supervisor. “We are excited about the community response to the club. We’ve even had some kids who learned to play chess here for the first time.”

The Denair Library is located at 4801 Kersey Road. For more information, please contact Paden Hardy at 209-634-1283. Information about regularly occurring library programs can be found at [www.stanislauslibrary.org](http://www.stanislauslibrary.org), under the “Events and Classes” tab.
