Denair Library to offer marble magnet craft and Tooth Fairy scavenger hunt

Children and teens are invited to make mini-marble magnets Thursday, Feb. 21 at 4 p.m. at the Denair Library. Crafters can make unique, decorative magnets for their refrigerators or homes.

Feb. 26 is Tooth Fairy Day and children can celebrate all day at the Denair Library with a Tooth Fairy scavenger hunt. Kids who search the library and find all the hidden tooth fairies will win a prize.

“We noticed that it’s National Tooth Fairy Day this month,” said Paden Hardy, Denair Library supervisor. “Losing teeth is a part of every kid’s early years, and we took the opportunity to host a fun event to positively influence this part of childhood.”

The Denair Library is located at 4801 Kersey Road. For more information, please contact Paden Hardy at 209-634-1283. Information about regularly occurring library programs can be found at www.stanislauslibrary.org, under the “Events and Classes” tab.
