Adults can make a unique room decoration at the library on Thursday, July 9 at 3 p.m. Participants will design and create decorative light switch covers using provided craft supplies. Crafters can choose to paint or decoupage their light switch covers. Individuals are welcome to bring their own images to use, however the library will also supply images for the craft.

The "Superhero Gadgets" program will take place on Tuesday, July 14 at 3 p.m. Tweens and teens can visit the library to make catapults and pom shooters.

Children can build their own skyscrapers out of marshmallows on Wednesday, July 15 at 3 p.m. This program will encourage participants to engage their imaginations while building basic engineering skills.

Teens and tweens can visit the library for a Button and Magnet Craft on Tuesday, July 21 at 3 p.m. Crafters can make decorative glass marble magnets or use the library's button maker to design a unique pin. Finished products may be taken home.
