### FOR IMMEDIATE RELEASE:

#### May Events at the Keyes Library

The Keyes Library will offer free programs for all ages this May, beginning with the month-long "What's Cooking" Recipe exchange. Library customers may pick up the recipes of the month and drop off their own recipes for a chance to have them featured at the library in June.

Throughout the month, community members are invited to guess the number of candy that are in the library's candy jar. The closest guess will win the jar of candy. In the event of a tie, the winner will be chosen by a random drawing.

Children are invited to exchange letters with children at the Hughson Library this month. Participants can ask questions and tell stories. All returned letters from the Hughson Library will be displayed.

The library will host a My Little Pony Party on Wednesday, May 11 at 1 p.m. Children can make My Little Pony notebooks and character gift bags. Individuals can also play Pin the Symbol on the Pony. Snacks and refreshments will be served while supplies last.

Children ages 10 to 14 can take part in STEAM\* (\*Science, Technology, Engineering, Art, Math) programs this month. On Tuesday, May 17 at 3 p.m. participants can learn about Magnets and Electricity. Children will conduct experiments with magnets and learn about magnetic levitation. Each participant will build electric circuits to create an electromagnetic field. STEAM\* programs are supported in whole or in part by the U.S. Institute of Museum and Library Services under the provisions of the Library Services and Technology Act, administered in California by the State Librarian.

All ages can enjoy Summer Reading Fun on Tuesday, May 24 at 3 p.m. Participants can make jumping frogs at the library. While at the library, all ages can sign up for the Summer Reading Challenge.

The Keyes Library is located at 4420 Maud Ave. in Keyes. For more information about programs at the Keyes Library, please call the Keyes Library Branch Supervisor, Lauren Hall, at (209) 664-8006.
