### February Events at the Newman Library

The Newman Library will offer free crafts and activities for children and teens, as well as an All Ages Coloring Day.

Community members are invited to an All Ages Coloring Day on Tuesday, Feb. 9 at 6 p.m. The library will provide coloring pages, crayons and markers. Coloring has been shown to reduce stress and promote creativity.

The library will host a LEGO Day on Thursday, Feb. 11 at 3:30 p.m. LEGO play encourages creativity while helping children hone fine motor skills. Children under the age of 4 are welcome to participate, however they must have direct parental supervision.

On Tuesday, Feb. 16 at 6 p.m. children can visit the library for a popcorn sheep craft. Sheep will be crafted out of paper plates and construction paper. Crafters will then add popcorn to their sheep as wool. Popcorn will also be served as a snack.

A lollipop butterfly craft will be held on Saturday, Feb. 20 at 1:30 p.m. Children can use cardstock, lollipops and assorted craft materials to make lollipop butterflies.

Teens can make unique marble magnets on Tuesday, Feb. 23 at 6 p.m. Clip art, pictures or magazine scraps will be used to create images that can be seen through the marbles. Magnets will be glued to the back of each marble, allowing them to be used as decoration on magnetized surfaces.

LEGO Day and the All Ages Coloring Day are sponsored by the Friends of the Newman Library. The Newman Library is located at 1305 Kern St. in Newman. For more information, please call (209) 862-2010.
