### **November Events at the Newman Library**

Community members can enjoy free crafts and activities at the Newman Library this November, beginning with a drop-in Mug Craft for children and teens. Materials will be available throughout the month for participants to decorate mugs using colorful permanent markers.

November is Puzzle Month at the Newman Library. Throughout the month library visitors are invited to work on the library's 1,000 piece puzzle.

Children can learn how to paint with spices on Tuesday, Nov. 3 at 3:30 p.m. The library will provide a variety of different spices for crafters to use as paint. Participants will learn about the different colors and aromas of each spice.

Community members are invited to an All Ages Coloring Day on Tuesday, Nov. 10 at 6 p.m. The library will provide coloring pages, crayons and markers. Coloring has been shown to reduce stress and promote creativity.

Children are invited to enjoy LEGO play at the library on Thursday, Nov. 12 at 3:30 p.m. Children under the age of 4 are welcome to participate, however they must have direct parental supervision.

The library will offer two turkey themed crafts this month, beginning with the Turkey Bean Craft on Saturday, Nov. 14 at 1:30 p.m. Children will make a turkey outline by tracing their hands. The turkey outlines will then be decorated with multicolored beans. All ages are invited to the Oreo Turkey Food Craft on Tuesday, Nov. 24 at 6 p.m. Participants can create turkey shaped snacks using Oreo cookies and other sweets that will be provided.

These crafts and activities are sponsored by the Friends of the Newman Library. To take advantage of this month's programming, please visit the Newman Library. The Newman Library is located at 1305 Kern St. in Newman. For more information, please call (209) 862-2010.
