Senior Awareness Day at the Modesto Library

The Stanislaus County Library, in partnership with the Stanislaus County Area Agency on Aging, will host Senior Awareness Day on Thursday, May 28 from 10 a.m. to 2 p.m. on the Modesto Library portico. This event provides an opportunity for seniors to learn about the free resources available to them in their local community. Representatives from CalFresh, Catholic Charities, HICAP and other agencies will be available to answer questions and help community members enroll in various assistance programs. Those interested in applying for these programs will need to bring a photo ID. Additional documents may be required for enrollment; please contact HICAP at (209) 558-4540 for more details. There will be a free prize drawing during the event, and light refreshments will be provided.

This event is sponsored by the Friends of the Modesto Library. The Modesto Library is located at 1500 I St. in Modesto. Free parking is available in the parking lot behind the library and on surrounding streets. Customers are encouraged to contact HICAP at (209) 558-4540 for further information about this event.
