August events at the Ceres Library

Activities at the Ceres Library offer creative fun for kids and health information for adults this month.

LEGO fun continues this August with two opportunities for children to embrace their inner architect. On August 14 and 28, children can visit the library at 3 p.m. to build masterpieces which will remain on display in the library for two weeks. Children under the age of four are invited to participate, but must have direct parental supervision. LEGO programs are sponsored by the Friends of the Ceres Library.

The San Joaquin Valley College will host a Health Fair at the library on August 14. Adults can have their blood pressure checked and vital signs tested. Massage chairs will also be available. Visit the library between 3 and 4:30 p.m. to take advantage of these free services.

Draw Something! at the library on August 21 at 3 p.m. Using Ed Emberley books and color sheets, children can explore drawing and coloring in a fun and creative environment. This program is sponsored by the Friends of the Ceres Library.

The Ceres Library is located at 2250 Magnolia Avenue in Ceres. For more information, please contact the Ceres Library at (209) 537-8938.
