January Events at the Ceres Library

The Ceres Library will offer free craft programs and children's activities this January, beginning with Wee Stay and Play After Story Time on Tuesday mornings at 11 a.m. On Wednesday, Jan. 6 and 20 the library will host Wee Move and Play at 11:30 a.m. Both programs feature unstructured play time for toddlers and preschoolers, during which they can enjoy movement and sensory play.

Children and teens can spend an afternoon creating unique designs with Perler beads on Thursday, Jan. 7 at 3:30 p.m. The Perler beads fuse together when heat is applied, preserving the crafter's design. Children under the age of 4 are welcome to participate, however they must have direct parental supervision.

The library will host an Edible Snowman Craft for all ages on Thursday, Jan. 14 at 3:30 p.m. Crafters will use marshmallows and assorted treats to create snowmen. All materials will be provided.

Children and teens can make Spin Art Creations on Thursday, Jan. 21 at 3:30 p.m. The library will provide Spin Art Makers and paint for crafters to use in making swirled works of art.

Community members are invited to an All Ages Coloring Day on Thursday, Jan. 28 at 3:30 p.m. The library will provide coloring pages, crayons, markers, and colored pencils. Coloring has been shown to reduce stress and promote creativity.

The Ceres Library is located at 2250 Magnolia St. in Ceres. For more information, please contact the Ceres Library at (209) 537-8938.
