FOR IMMEDIATE RELEASE:

Denair Library to close for interior renovation

The Denair Library will be temporarily closed from Aug. 19 to Sept. 9, 2017 for interior remodeling. The refurbishments will include fresh paint, new LED lighting, new carpeting, attractive furnishings, and an updated modern floor plan. This project supports the Library's strategic plan goal of bringing the Stanislaus County Library System in-line with current library practices, which seek to create an inviting and comfortable community space with a design and layout that reflects community needs. The Denair Library book return will remain open during the remodel. All other Stanislaus County Libraries will be available to serve the needs of Denair Library customers during the closure. Libraries in Turlock, Keyes and Hughson are all located within seven miles of the Denair Library. For more information, please visit www.stanislauslibrary.org.
