October Events at the Newman Library

This October, the Newman Library will offer an informational program for adults, as well as crafts and activities for children and teens.

The library will host a Jack-O-Lantern Craft for teens during the month of October. Participants can visit the library throughout the month to make miniature Jack-O-Lanterns using tea lights and ping pong balls. Crafters can use permanent markers to draw their jack-o-lantern's design.

A Sticker Book Craft will be held on Tuesday, Oct. 6 at 3:30 p.m. The library will provide a variety of colorful pages for crafters to use. Completed sticker books will allow children to display and store their favorite stickers. This craft is sponsored by the Friends of the Newman Library.

Children are invited to enjoy LEGO play at the library on Thursday, Oct. 8 at 3:30 p.m. LEGO play helps children develop fine motor skills while learning to think creatively. Children under the age of 4 are welcome to participate, however they must have direct parental supervision.

The library will host a children's craft on Saturday, Oct. 17 at 1:30 p.m. Children will make edible owls using graham crackers. This craft is sponsored by the Friends of the Newman Library.

On Tuesday, Oct. 27 at 6 p.m. attorney Julie Richardson will review the basics of estate planning. Richardson will cover the documents needed in estate planning, as well as other important issues to consider.

To take advantage of this month's programming, please visit the Newman Library. The Newman Library is located at 1305 Kern St. in Newman. For more information, please call (209) 862-2010.
