Free online tutoring available 24/7 through Stanislaus County Library

Statewide program provides live, 24/7 online tutoring and homework help in every K-12 subject

Stanislaus County residents now have access to free one-on-one tutoring, 24 hours per day, 7 days per week through Help Now on the library website. Real-time tutoring and homework help is available in Math, Language Arts and other core k-12 subjects in English, Spanish, Mandarin, Cantonese, Vietnamese, and Tagalog. The service is not limited by age. Adult learners can access writing assistance, citizenship resources and other tools.

“This program is a game-changer,” said County Librarian Sarah Dentan. “Until now, a private tutor has been out of reach for many students. Now the one-on-one service is available to everyone.”

Online tutoring and homework help, offered through local libraries statewide, is the first round of the California State Library’s \$439 million Building Forward Library Improvement Grant program. This represents the largest investment in public library infrastructure in California history.

To access the service, use the online tutoring link at www.stanislauslibrary.org and enter your Stanislaus County Library card number. An application for a digital services library card can be completed online using the Get a Library Card link. Digital library card numbers are issued within 24 to 72 hours. Computers and free WiFi are available at all Stanislaus County Libraries. WiFi hotspots and home connectivity kits, consisting of a hotspot, laptop, and accessories, can also be checked out for three weeks at a time.

About the Stanislaus County Library

The Stanislaus County Library engages all members of the community and offers access to information, knowledge, and the tools for innovation and personal development. With 13 locations throughout the county, the Library offers a diverse collection of free materials, computer access and Wi-Fi, Story Times, programming for all ages, and more. To learn more about the Library’s wide array of programs and services, visit stanislauslibrary.org.
